Terrific. That all sounds good, I was out of office yesterday so catching up.

Dana S. Tulis  
Deputy Office Director  
Office of Emergency Management  
US EPA  
202-564-7938

There is a daily call chaired by R8 at 12:30 EDT everyday starting today. I will issue a Spot Report around 2:00 thereafter each day. I'm definitely tuned into the need for the Spots to go out a couple hours before the 4:00. In short, R8 along with R6 and R9 are all over this as am I. Please call me if you would like to discuss: 202-510-7539. Thank you for checking in. Patrick
